We wish to undertake an Industrial Visit to Iroid Technologies at Kerala on 23.09.2022 as a part of our academic curriculum focusing on engaging our students in practical experiences. We firmly believe that this visit would give an opportunity for the students to know more about the company projects involved and also the programming process carried out there.

I assure that our students will abide by the rules and regulations of the company during the visit. I kindly look forward to grant permission to visit the factory for 100 students along with 3 staff members.
