On March 20, 2021, Pandian Saraswathi Yadav Engineering College organized a successful Tree Plantation Program at Theli. The event aimed to promote environmental sustainability and increase green cover in our area. A diverse group of over 22 volunteers, including students, faculty members and local residents, participated enthusiastically. The program commenced at 10.30 AM with an opening speech by our college Principal, who emphasized the importance of tree planting in combating climate change and improving air quality. Following the speech, experts from the police department provided a brief workshop on proper planting techniques and the benefits of different tree species.
