A View on Interpersonal Development Skill program on 02.04.2019

- This Program was conducted for the final Year students at Pandian Saraswathi Yadav Engineering college.
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Preparing for the IELTS exam also helps students to meet the academic requirements of the degree study.
- Improved English skills can help the student to easily communicate with professors. The interaction also helps the students to ask questions and understand what is being asked.
- Students benefited much from the session carried out for the purpose of their job career.

A View on Placement Training for Banking Sector program on 14.02.2019

- This Program was conducted for second Year students Pandian Saraswathi Yadav engineering college
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Some common banking careers are investment banker, bank teller, loan officer and banking associate. While banking careers require graduation, most bank jobs do not require higher education. Because of the skilled nature of the job, employers prefer hiring candidates with excellent knowledge of finance and math.
- Training in banking will help to improve each employee's understanding of the modern banking system; leading to an overall better service.
