A View on GATEWAY TO ENTREPRENUERSHIP - 24.05.2021

- This Program was conducted for final Year students, PANDIAN SARASWATHI YADAV ENGINEERING COLLEGE
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Entrepreneurship is, “the activity of organizing, managing, and assuming the risks of a business enterprise.” Yes, entrepreneurship is a high-risk but high-profit career. A lot of sweat and blood goes into setting up a business and running it profitably.
- Successful entrepreneurs are perceptive, take advantage of business opportunities, and are willing to take risks to generate high profits. They provide important benefits to the economy such as employment, goods/services, and economic growth.

Name of the Program: FUTURE TECHNOLOGIES

Name of the Resource Person: Mr R. Veera Haresh Ram, Design Engineer, Embien Technologies, Madurai

Date: 11.03.2020

Time: 10.00 A.M to 4.00 PM

No. of Beneficiary: 97

Training Program on Future Technology on 11.03.2020

- This Program was conducted for second Year B.E students at Pandian Saraswathi Yadav engineering on 11.03.2020 by Mr. R.Veera Haresh Ram, Design Engineer, Embien Technologies
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Effective communication is pivotal for masterminds to convey their ideas, unite with platoon members, and present their work.
- Emerging technologies, such as industrial robots, artificial intelligence, and machine learning, are advancing at a rapid pace. These developments can improve the speed, quality, and cost of goods and services, but they also displace large numbers of workers.
- There is an increased scope for financial stability, understanding investment and tapping into new opportunities without requiring expert knowledge, and growing businesses even with minimal investments
