Career Compass Program on 26.08.2022

- This Program was conducted for final Year students at PANDIAN SARASWATHI YADAV ENGINEERING COLLEGE.
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- The Career Compass is a compact yet powerful coaching sequence that helps you uncover your aspirations. Designed for individuals at all levels within an organization, its goal is to help individual coaches find clarity and motivation about their career ambitions.
- Designed for students of all years, Career Compass is a tool to help you explore the wide range of career opportunities available and to connect you with resources, opportunities and alumni who can help. Your career isn't dictated by your course of study, so don't let that limit your exploration.

Program on Aspiring Entrepreneurs on 14.04.22

- This Program was conducted for second Year students Pandian Saraswathi Yadav engineering college
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Early Entrepreneurship has emerged as an interesting subject amongst young students to learn in India. As job opportunities become scarcer as a consequence of Digital Transformation and population growth, entrepreneurship can be seen as a viable career choice among the current generation.
- These workshops are a source of learning & experience from successful entrepreneurs.
