PROSPECTIVE AND DEVELOPMENT PLAN

An institutional development plans and prospective are created to implement the action or set of directives that pivots the institution towards academic and professional achievements. This emphasises to avoid monolithic or single dimensional approach to the quality and standards in education.

These plan will analyse the requirements, to rectify the difficulties and drawbacks, to face upcoming challenges in various situation, to open up new chances etc., This framework should be used to enrich learning environment and institutional growth in a pleasant way based on the vision and mission of the institution. These strategic plans will be used to achieve benchmarking of quality in all aspects. This is to accomplish excellence in academics with continual improvement of faculty and student to the fullness of time. In the long run, the plan should comprise,

- Nurturing Entrepreneurship skills among students
- To attain Institutional recognition
- Staff development and welfare
- To Equip research and innovation
- Alumni association
- To organize conference/seminar/workshop
- Promote R&D and Consultancy through strong Industry Institute Interaction to address the societal problems
