There are few ways of providing such capacity building plan:

1. FACULTY DEVELOPMENT AND WELFARE

- ❖ The Management strongly believes that continuous updating of knowledge and technology is the hallmark of a teacher.
- ❖ To meet this need, the institute encourages the departments to organize FDP and Workshops for the benefit of the faculty and also lends support when the faculty wants to attend FDP, Conference, Workshops in other reputed institutions.
- ❖ All newly joined employees upon completion of the formalities undergo an induction program, intended to familiarize them with the dynamics of the organization.
- ❖ The methodology would be that of guided interaction with the various sections in the staff. In recognition of their experience and expertise, senior staff members would often be asked to participate as facilitators in the Induction Program, on a need basis.
- ❖ The induction process may be phased over a few days so as not to disrupt the daily work of staff and those conducting the induction. Training module will be developed and put in place for induction process.

The following are to find place in the Training module,

1. Explain the Vision, Mission and Guiding Principles of the college
2. Explain the Vision, Mission and Guiding Principles of the department.
3. Explain the PSOs and PEOs of the department.
4. Provide access for the new employee to read the policy documents such as HR Manual, Handbook
5. Describe key office norms and policies, systems, manual of procedures etc.
6. Appraise about the job description with the employee.
7. Orientation on Faculty Appraisal System.
