Resource person Ms.S.Pandimeena delivered a lecture on for stress management from 19.04.2021 to 23.04.2024.

Yoga is fantastic for stress management. It combines physical postures, breathing exercises and mediation to help calm the mind and relax the body. Here are a few yoga practices that can be particularly helpful. Simple breathing exercises like deep belly breathing or alternate nostril breathing and quickly calm the nervous system and reduce stress.

Incorporating mindfulness into your yoga practice can you help stay present cultivate inner peace. During meditation, you can focus on your body sensation, breath, or a mantra. Also known as yoga sleep, Yoga Nidra is guided meditation technique that induces deep relaxation and helps allative stress. Restorative Yoga involves holding gentle poses for longer periods, allowing the Even a few minutes of yoga each day can significantly manage stress and promote well beginning.
