REPORT

Five Days Training Program on Organizational Development

Date: 11.03.2019 to 15.03.2019 Venue: Seminar Hall Time: 10.00am – 1.00pm

Our college organized five days 'Training Program on Organizational Development' to all the Non-Teaching and Administrative staff. Organizational development is aimed at Organizational Effectiveness and also to "Increase an organization's effectiveness through planned interventions related to the organization's process resulting in improvements in productivity, return on investment and employee satisfaction."

The session was given by Mr. M. Radhakrishan, Head of the Department, Department of Mechanical Engineering. He begins the session with the primary objective of the program was to enhance the organizational development, proposal development, governance, monitoring, reporting, and documentation. Then organization assessment is to plan, implementation, monitoring, and sustaining growth, each phase plays a vital role in the organization's evolution. Understanding how to navigate and facilitate the change within the institution.

The program has planned in such a way to make the changes in the organization's growth and development. Development is the main step in all process, as an individual one should focus on inner self development that leads to whole development. An individual will make the changes within themselves that reflects in work area. The organizational development is not only based on the institution, it also includes each individual in the work place, plays a major role in the work place environment to made changes in and around the growth and development of the institution.

"Success is best When its shared".
