## REPORT

### Five Days Training Program on Basic Computer Skills

Venue: Seminar Hall

Date: 14.03.2022 to 18.03.2022

Our college organized the 'Training Program on Basic Computer Skills' for five days to all the Non-Teaching and Administrative staff. The program discussed on Basic computer skills include understanding how to navigate the operating system, using word processing software for writing documents, creating and managing spreadsheets, sending and receiving emails, browsing the internet, and basic file management such as creating folders and organizing files. All the sessions were very effective.

Outcomes of the programme are as follows:

- The participants learned how to handle the data of thousands of students like fees, roll numbers, internal assessment, admission etc.
- By learning the advanced tools of excel they learned how to do result analysis.
- Exposing to the apps like Google meet, Google form, zoom they can now work even during the pandemic situation.
- They learnt, how to use google form to collect the data regarding feedback, subject optional form.
