## A View on Placement Training for Banking Sector program on 14.02.2019

- This Program was conducted for second Year students Pandian Saraswathi Yadav engineering college
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Some common banking careers are investment banker, bank teller, loan officer and banking associate. While banking careers require graduation, most bank jobs do not require higher education. Because of the skilled nature of the job, employers prefer hiring candidates with excellent knowledge of finance and math.
- Training in banking will help to improve each employee's understanding of the modern banking system; leading to an overall better service.

Name of the Program: FUTURE TECHNOLOGIES

Name of the Resource Person: Mr R. Veera Haresh Ram, Design Engineer, Embien Technologies, Madurai

Date: 11.03.2020

Time: 10.00 A.M to 4.00 PM

No. of Beneficiary: 97

## Training Program on Future Technology on 11.03.2020

- This Program was conducted for second Year B.E students at Pandian Saraswathi Yadav engineering on 11.03.2020 by Mr. R.Veera Haresh Ram, Design Engineer, Embien Technologies
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- Effective communication is pivotal for masterminds to convey their ideas, unite with platoon members, and present their work.
- Emerging technologies, such as industrial robots, artificial intelligence, and machine learning, are advancing at a rapid pace. These developments can improve the speed, quality, and cost of goods and services, but they also displace large numbers of workers.
- There is an increased scope for financial stability, understanding investment and tapping into new opportunities without requiring expert knowledge, and growing businesses even with minimal investments

## Career Compass Program on 26.08.2022

- This Program was conducted for final Year students at PANDIAN SARASWATHI YADAV ENGINEERING COLLEGE.
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- The Career Compass is a compact yet powerful coaching sequence that helps you uncover your aspirations. Designed for individuals at all levels within an organization, its goal is to help individual coaches find clarity and motivation about their career ambitions.
- Designed for students of all years, Career Compass is a tool to help you explore the wide range of career opportunities available and to connect you with resources, opportunities and alumni who can help. Your career isn't dictated by your course of study, so don't let that limit your exploration.

## Career Motivational Program on 03.04.2023

- This Program was conducted for third year students at Pandian Saraswathi Yadav Engineering College by Dr. ASKARUNISA.A, HoD/CSE, PSYEC
- The training was started by 10.00 AM and ends at 4.00 PM for one day.
- The scope of motivation program is vast, as it influences various aspects of our lives, including personal, academic, and professional domains. Motivation is essential for personal growth and self-improvement. It helps individuals set goals, overcome obstacles, and persevere in the face of challenges for the students.
- Motivation drives student behavior and performance. When students are motivated, they will be more positive and energetic in the classroom and toward their learning. Students are going to be more likely to take initiative in their learning and persist through difficult material, mistakes, or tasks.
