Action Taken Report

The following progressive initiatives have been implemented in addition to the **Green, Environmental, and Energy Audits** held on 02-09-2021 to raise the standard of the campus as an eco-friendly environment.

- To stimulate the Clean India Mission, **Helpline Numbers** for waste collection are made available for easy access to reduce the improper waste disposal by individuals.
- Policy documents are formed on waste management systems, water conservation techniques, green campus, energy conservation and environment prevention to regularize the system properly.
- Solar and day light **Sensor Bulbs** has been installed to save energy.
- As part of a green campus initiative they introduced **e-vehicle** and planted various types of saplings inside the campus.
- **Bio gas plant** is installed in the hostel mess area to reduce the consumption of cylinders.
- Inter -departmental photography contest was organized by the Eco Club of our college to promote nature conservation among students.
- Students are encouraged to involve in generating new saplings in the campus and distributed to the public to create environmental awareness in the society.
